IN REPLY REFER TO:

The Honorable Kenny Marchant
United States House of Representatives
1110 Longworth House Office Building
Washington, D.C. 20515

Dear Congressman Marchant:

Thank you for your recent letter concerning the status of the application to assign the license of WMFE-TV, Orlando, Florida, from Community Communications, Inc. to Community Educators of Orlando, Inc., which currently is pending before the Commission's Media Bureau. I appreciate the opportunity to respond.

The WMFE-TV assignment application was filed with the Commission in April 2011. The parties subsequently submitted three separate amendments to the application. In addition, although no formal petitions to deny the application were filed, the Commission has received several hundred informal objections to the proposed assignment, which have been associated with the record for review.

Media Bureau staff recently completed a preliminary evaluation of the WMFE-TV assignment application and amendments as well as the related informal objections. Based on this review, the staff determined that it was necessary to obtain additional information, which has been requested from the parties. When the information is received, staff will be in a position to continue its review of the proposed transaction and act on the application.

I hope this information is helpful. If I can be of further assistance, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, which appears to read "Michael S. Perko".
